

AIT Conference 2024

“Inhalation Toxicology Rocks”

The Association of Inhalation Toxicologists (AIT) conference will take place on **Tuesday 17th to Thursday 19th September 2024** at the Hyatt Regency Hotel at the Arcade in Cleveland, Ohio, USA. There is also an opportunity to visit the Charles River Laboratory site in Ashland, Ohio on **Monday 16th September 2024 (for approximately 60 people)**.

Attending this conference will commence/renew your AIT membership for the next 3 years and allow free access during your membership to the secure members area of the AIT website to view the recorded webinars and PDF presentations held there from the previous year.

The exciting 2024 scientific agenda includes topics on:

- New Approach Technologies (NAMs)
- Inhaled biologics/proteins
- Inhalation gene expression and cell therapeutics/biomarkers
- Intranasal dosing
- **Aerosol generation in-vivo/in-vitro/novel methods and aerosol sampling**
- **Wildfires and smoke inhalation toxicology**
- **Plus others in the planning phase (the topics are subject to change depending on speaker availability).**
- Time will be dedicated for posters to be manned for questions (if you would like to bring a poster with you then please let me know at aitoxicology@gmail.com).
- Time will be made to meet the exhibitors
- There will be ample time to network.
