

BRITISH SOCIETY OF TOXICOLOGICAL PATHOLOGY

Notice of Future Meetings

Virtual Continuing Education Symposium 11: Endocrine System

4th – 13th February 2025

Tuesday, Wednesday and Thursday

13.00 – 17.00 (GMT+0, London/UCT+0/ET-5)

CES 11 will be held over two weeks - on the afternoons of Tuesday 4th, Wednesday 5th, Thursday 6th, Tuesday 11th, Wednesday 12th and Thursday 13th February 2025, from 13.00 – 17.00 (GMT+0, London/UCT+0/ET-5) each day.

REGISTRATION IS NOW OPEN WITH AN EARLY BIRD DEADLINE OF FRIDAY 10th JANUARY 2025

Royal Society of Biology CPD credits have been applied for.

The number of hours of educational activity will be recorded on Attendance Certificates.

This CES will give you the opportunity to learn about the endocrine system.

Registration Fees: Registration fees are for full attendance (6 afternoons) and no discount will be given for part attendance.

Early Registration Fee - up to 10th January 2025

Standard Registration Fee – 11th January 2025 onwards

Reduced rates for early career pathologists and free place bursaries are available.

For more information or to register visit: <https://www.bstp.org.uk/events/ces-11-endocrine-system/>

If you have any queries, please contact the event organiser - Hg3 Conferences Ltd – events@hg3.co.uk

If you have any queries, please contact the event organiser - Hg3 Conferences Ltd – events@hg3.co.uk

BSTP Webinars

Dates are pending for further webinars, keep checking the BSTP website for up-to-date information.

Details are also on the [BSTP website](#) and also the [group LinkedIn page](#)

Non-BSTP Events

If you are interested in attending any events organised by the BSTP, please visit the BSTP website – <https://www.bstp.org.uk/bstp-events/> or <https://www.bstp.org.uk/events/bstp-webinars-and-podcasts/>

or for details of more events organised by other organisations - <https://www.bstp.org.uk/non-bstp-events/>

If you would like any other events including on the BSTP website or publicising in the next 'Diary Dates' email, please send the information to me.

Future BSTP events are due to take place as follows:

4th – 13th February 2025	CES 11 - Endocrine System
1st – 10th July 2025	CES 12 - Cardiovascular System
23rd – 26th September 2025	2nd Joint Congress of the ESTP and BSTP's 40th Annual Scientific Meeting

November 2025	40th Annual General Meeting
March 2026	CES 13 - Lymphoid & Haematopoietic Systems
July 2026	CES 14 - Musculoskeletal System & Skin
November 2026	41st Annual Scientific Meeting & AGM

The order of the CES will depend on the availability of high-quality speakers who are world experts in their particular field to present at the relevant meeting. Details of future meetings are correct at the time this booklet is generated, the BSTP will not be held responsible for any changes to dates, topics and venues of these meetings.

For up-to-date information on any events organised by the BSTP, please check out the website – <https://www.bstp.org.uk/bstp-events/>

All CES and ASM events are organised by Hg3 Conferences Ltd, who are now responsible for the administrative organisation of all BSTP events – events@hg3.co.uk
