

AIT Conference 2025: “Inhalation Trailblazers”

SPONSORSHIP OPPORTUNITIES

Milton Keynes, UK

12th Street Milton Keynes

Conference Centre.

Bletchley Park UK, The Home of Code Breaking (Alan Turing) – 11 minutes by car (4.4 miles) from the conference centre.

The Association of Inhalation Toxicologists (AIT) conference will take place on **Tuesday 3rd to Thursday 5th June 2025** in Milton Keynes, UK.

There will also be an opportunity to visit the ImmuONE site in Stevenage, UK on **Monday 2nd June 2025 (limited to 50 people; first registered take priority – 19 places remain on issue of this document on 16 Feb 2025).**

Conference Summary

Attending this conference will commence/renew AIT membership for the next 3 years and allow free access during membership to the secure members area of the AIT website to view the PDF presentations held there from the previous year.

Exciting Scientific Agenda Topics are in Planning (subject to change): For example:

- EU Funded HARMLESS Project
- In-vitro topics
- NAMs
- e-cigarettes (cannabinoids, regulatory perspective and possibly clinical cases)
- and others in the planning.

Our hope is to draw in circa 80-140 delegates, all key members in the field of inhalation toxicology and safety sciences.

The AIT has received extremely positive feedback from many of you who supported last year's conference. For those of you who are considering attendance for the first time, this could be the perfect platform for you to meet key people in the inhalation toxicology industry, giving you the opportunity to network or market your business face to face.
