

## 2023 Annual AIT Conference

*Spring is in the Air – Advancing Inhalation Toxicology*

May 3 – 5, 2023

Gothenburg, Sweden

### *Why attend?*

#### Scientific Agenda Topics

- In vitro exposure and cell systems: Challenges
- Cannabinoids
- Juvenile animal data
- Special presentations and tour by Astra Zeneca scientists
- General meeting and subcommittee updates

#### Additional Benefits:

- Attending commences or renews your AIT membership for the next 3 years
- Allows free access during your membership to the secure members area of the AIT website to view the recorded webinars and PDF presentations that are held there from previous years (since 2014)

Registration links can also be found on the AIT website: <http://www.aitoxicology.org> or LinkedIn page:

<https://www.linkedin.com/groups/13654177/>

**Call for Posters:** *All scientific topics relating to inhalation toxicology are welcome!*

**You will need to register and pay as a delegate if you plan to attend with your poster**

If you would like to bring a poster with you then please let the AIT know at [aitoxicology@gmail.com](mailto:aitoxicology@gmail.com) as soon as possible to allow the AIT committee to accept the poster submission
