Call for Presenters: Call for presenters (main program and students): If you have some research data or other topic of interest in the inhalation toxicology field to present to our audience (30-minute verbal presentation) then please get in touch. We are accepting presentation offers now. Students, please also get in touch if you wish to present at our friendly conference. Student presentations are 20 minutes in duration and can be associated with a poster submission (AIT conference student poster prize is available along with one student travel grant worth £500; see our website for details:

<https://www.aitoxicology.org/conference-announcement/>!

Call for Posters: Main Poster Prize and Student Poster Prize this year!!

There are 40 poster spaces available. All scientific topics relating to inhalation toxicology are welcome. If you are interested, please contact the AIT at aitoxicology@gmail.com. **POSTER SUBMISSION:** Please send the title, the authors (and their affiliations) and a short abstract (up to approximately 450 words) for the conference brochure as soon as this is available. The deadline for submission is the end of July 2026 (as we only have space for 40 posters then early submission is advisable. If you are committed to attending the conference then a poster board can be reserved for you due to the limited space allocation). Late submissions may not be accepted if all the allocated poster spaces are taken. The poster boards are portrait orientation; A0 Portrait = 900mm wide x 1200mm high maximum. You will need to register as a delegate to attend the AIT conference with your poster. There is one main poster prize and one student poster prize available.
